WHO IS SEAM

SEAM is a leading smart mobility company dedicated to developing modern transportation solutions that align with the needs of smart cities. The company was founded to address the growing challenges in urban transportation by offering innovative, technology-driven solutions that make mobility more efficient, safer, and sustainable

WHY SEAM WAS FOUNDED

With increasing traffic congestion, rising pollution levels, and inefficiencies in traditional transportation systems, the need for smart mobility solutions has become more critical than ever. SEAM was established to bridge the gap between conventional transport and modern technology, utilizing AI and IoT to enhance the transportation experience.

PROBLEMS SEAM SOLVES

SEAM company enhances mobility, safety, and efficiency by offering on-demand rides, employee transport, and delivery services. It reduces traffic congestion, pollution, and high ownership costs, improves accessibility in underserved areas, and ensures secure, cashless transactions .for a seamless experience

PROJECT OVERVIEW

The project aims to develop a complete visual identity and advertising campaign for a smart transportation company operating in a smart city. This will enhance brand recognition and customer engagement through professional designs that align with modern technology and smart mobility trends

PROJECT ELEMENTS

A billboard advertisement for SEAM. The left side shows a driver's perspective from inside a car, with a hand on the steering wheel and a futuristic heads-up display (HUD) projecting blue lines and data onto the windshield. A speech bubble from the HUD says 'Get 15% Disc.'. The right side has a dark blue background with the SEAM logo in the top right corner. The main text reads 'READY TO EMBRACE THE FUTURE OF TRANSPORTATION' in large white letters, with 'ECO-CONSCIOUS TRAVEL' in a smaller blue box below it. Further down, it says 'Your Smart Car Awaits – Book Now!'. At the bottom, it provides contact information: 'More Information visit us www.seaml.com' and 'CALL US 18 666'. Decorative orange and white geometric shapes are scattered around the text.

Get 15% Disc.

LUMINO TRAIN 2025

Step into the future with LuminoTrain, the revolutionary train powered entirely by light energy. Combining cutting-edge technology with a sleek, futuristic design, this train redefines high-speed travel with unmatched efficiency and sustainability.

Train Features

- Light-Powered Technology
- Trackless Floating System
- Futuristic Aerodynamic Design
- Ultra-High Speed
- Energy-Efficient & Eco-Friendly
- Luminous Smart Interior
- Seamless Connectivity
